TOWN OF NORTHLAKE  
ENGINEERING DESIGN MANUAL  
TABLE OF CONTENTS

|  |          |
|--|----------|
| <b>PART I • GENERAL .....</b>  | <b>1</b> |
| 1.01 PURPOSE .....   | 1        |
| 1.02 SCOPE .....   | 1        |
| 1.03 STANDARD CONSTRUCTION DETAILS .....                                 | 1        |
| 1.04 CORRELATION OF MANUAL AND STANDARD CONSTRUCTION DETAILS..           | 1        |
| 1.05 UTILITY ASSIGNMENTS .....   | 1        |
| 1.06 GENERAL NOTES .....   | 2        |
| 1.07 CORRELATION OF MANUAL AND UNIFIED DEVELOPMENT CODE .....            | 2        |
| 1.08 VARIANCE PROCEDURE.....   | 2        |
| <b>PART II- PAVING .....</b>   | <b>3</b> |
| I. STREET AND ARTERIAL CLASSIFICATIONS .....                             | 3        |
| 1.01 GENERAL. ....   | 3        |
| II. STREET AND ARTERIAL DIMENSIONS .....                                 | 3        |
| 2.01 GENERAL. ....   | 3        |
| 2.02 DESIGN VEHICLES .....   | 4        |
| 2.03 DESIGN SPEED .....  | 6        |
| 2.04 HORIZONTAL GEOMETRICS .....   | 6        |
| 2.05 VERTICAL ALIGNMENT .....  | 8        |
| 2.06 SIGHT DISTANCE AT INTERSECTIONS .....                               | 11       |
| 2.07 MEDIAN OPENINGS .....   | 13       |
| 2.08 CUL-DE-SACS .....   | 13       |
| III. DRIVEWAY STANDARDS .....  | 13       |
| 3.01 DRIVEWAY REQUIREMENTS .....   | 13       |
| IV. TRAFFIC IMPACT ANALYSIS GUIDELINES .....                             | 16       |
| 4.01 DEFINITIONS – THE FOLLOWING TERMS ARE USED IN THIS ARTICLE ....     | 16       |
| 4.02 PURPOSE .....   | 16       |
| 4.03 APPLICABILITY .....   | 16       |
| 4.04 WHEN TRAFFIC IMPACT ANALYSIS (TIA) IS REQUIRED .....                | 16       |
| 4.05 ROLES OF APPLICANT AND TOWN.....                                    | 17       |
| 4.06 TRAFFIC IMPACT ANALYSIS (TIA) REQUIREMENTS.....                     | 17       |
| V. PAVEMENT DESIGN .....   | 19       |
| 5.01 STANDARD STREET AND ARTERIAL PAVEMENT DESIGN .....                  | 19       |
| 5.02 GEOTECHNICAL INVESTIGATION REQUIRED .....                           | 20       |
| 5.03 GUIDELINES FOR STAB. OF SUBGRADE SOILS CONTAINING<br>SULFATES ..... | 20       |
| 5.04 ALTERNATE PAVEMENT DESIGN .....                                     | 21       |

|   |  |           |
|---|--|-----------|
| VI.   | PERMANENT LANE MARKINGS .....                                    | 22        |
| 6.01  | PAVEMENT MARKINGS PLAN .....                                     | 22        |
| VII.  | LANDSCAPING IN PUBLIC RIGHT-OF-WAY .....                         | 22        |
| 7.01  | GENERAL. ....  | 22        |
| 7.02  | METERING .....   | 22        |
| 7.03  | OTHER REQUIREMENTS .....   | 23        |
| 7.04  | PLAN SUBMITTAL REQUIREMENTS .....                                | 23        |
| 7.05  | OWNERSHIP AND MAINTENANCE .....                                  | 23        |
| VIII.   | STREET LIGHT REQUIREMENTS .....                                  | 24        |
| 8.01  | GENERAL. ....  | 24        |
| 8.02  | STREET LIGHT REQUIREMENTS BY STREET CLASSIFICATION <sup>23</sup> |           |
| 8.03  | STREET LIGHT LOCATIONS .....                                     | 24        |
| 8.04  | PLAN SUBMITTAL REQUIREMENTS .....                                | 24        |
| 8.05  | COSTS .....  | 25        |
| <b>PART III • DRAINAGE .....</b>                  |  | <b>26</b> |
|   | TABLE OF CONTENTS FOR DRAINAGE PORTION OF MANUAL .....           | 28        |
| <b>PART IV • WATER AND WASTEWATER LINES .....</b> |  | <b>69</b> |
| I.  | WATER MAINS .....  | 69        |
| 1.01  | GENERAL. ....  | 69        |
| 1.02  | WATER LINE MATERIAL .....  | 69        |
| 1.03  | LOCATION .....   | 70        |
| 1.04  | WATER VALVES .....   | 70        |
| 1.05  | FIRE HYDRANTS .....  | 70        |
| 1.06  | FIRE LINE METERING .....   | 72        |
| 1.07  | MINIMUM COVER: .....   | 72        |
| 1.08  | CLEARANCES BETWEEN WATER AND WASTEWATER LINES .....              | 72        |
| 1.09  | METER BOX AND SERVICE .....                                      | 72        |
| 1.10  | SERVICE CONNECTIONS .....  | 73        |
| II.   | WASTEWATER .....   | 73        |
| 2.01  | MINIMUM SIZE .....   | 73        |
| 2.02  | LOCATION .....   | 73        |
| 2.03  | MINIMUM COVER .....  | 73        |
| 2.04  | WASTEWATER FLOWS, SIZE AND GRADES .....                          | 73        |
| 2.05  | MANHOLES .....   | 75        |
| 2.06  | LATERALS .....   | 75        |
| 2.07  | WASTEWATER LINE MATERIALS .....                                  | 75        |

|      |  |    |
|------|--|----|
| III. | UTILITY EASEMENTS .....                | 75 |
| 3.01 | REQUIREMENTS .....                     | 75 |
| 3.02 | LANDSCAPING IN UTILITY EASEMENTS ..... | 76 |

### TABLES

|            |  |    |
|------------|--|----|
| Table II-1 | Street and Arterial Classifications and Dimensions ..... | 4  |
| Table II-2 | Intersection Design Standards .....                      | 5  |
| Table II-3 | Minimum Centerline Radius for Roadways .....             | 8  |
| Table II-4 | Maximum Street Grades .....                              | 10 |
| Table II-5 | Minimum Length of Vertical Curve .....                   | 12 |
| Table II-6 | Sight Distance Requirements .....                        | 13 |
| Table II-7 | Driveway Requirements .....                              | 16 |
| Table II-8 | Minimum Driveway Storage Length (L) .....                | 17 |
| Table II-9 | Standard Street and Thoroughfare Pavement Design .....   | 24 |
| Table IV-1 | Minimum Manhole Sizes .....                              | 91 |

### FIGURES

|             |                                   |    |
|-------------|-----------------------------------|----|
| Figure II-1 | Intersection Design Diagram ..... | 6  |
| Figure II-2 | Sight Distance Requirements ..... | 14 |
| Figure II-3 | Visibility Triangles .....        | 14 |
| Figure II-4 | Driveway Requirements .....       | 17 |
| Figure IV-1 | Peak Wastewater Flow Rates .....  | 90 |

### APPENDICES

|            |  |
|------------|--|
| Appendix A | Utility Assignments                                      |
| Appendix B | Private Development General Notes for Construction Plans |
| Appendix C | Engineering Document Plan Review Checklist               |
