

RATE INCREASE

FOR WASTE & RECYCLING SERVICES

Waste Connections will be increasing Northlake pricing for waste and recycling services by 12.3%. This increase is due to a rise in operating costs resulting from inflation. There has been a 7.5% inflation rate in the DFW area over the last 12-months as of January.

In addition, the City of Denton Landfill usage cost increased 23.63% as of January. The price increase is in accordance with Section 10 of the franchise agreement.

Price increase will be effective as of the April 2023 billing cycle.
